they will shortly become largely interested in the company.

The gentlemen are not inexperienced in the mining business, while Mr. Kirby is an expert of recognized ability. When they pass judgment on the proposition their verdict as to its worth will be accepted as final. Their beniecoming and report will be awaited with interest.

perjury. They were held in \$10,000 bail each for examination. Edward Lauterbach, who appeared n court for Ernest C. Wagenfuhr, the complainant, said that the case grew out of the fight between the rival cop-per interests in Montana and the war between August Heinze of Helena, Mont., and the Amalgamated Copper

Mont, and the Amalgamated Copper company as to the ownership of the Pennsylvania mine in particular. The Delaware Surety company, he said, had given bond for Mr. Heinze to the amount of \$350,000 in connection with the operation of the Pennsylvania mine, and that the bond had not been approved by the courts.

Wagenfuhr alleges in his complaint that the defendants made affidavit before Thomas Adam, ir., a notary public of New York county, that the paid in capital of the Delaware Surety company was \$1,000,000. This, he declared, was false.

Electric Belt

Drugs won't restore your strength. They only stimulate. If you have to take a stimulant take whiskey. Taken in moderation it does less harm than the others.

"Every sign of pain and sickness has disappeared. I appreciate what your Belt has done for me," writes J. B. Benton, Wilcox, A. T. I will gladly send you my book on this subject. It has \$2 pages of meat to people who want more "fire." Sealed free.
